CX - DET D1.2Y

CX – DET D1.2Y is a powerful solution for manual dishwashing, designed to effectively clean kitchenware, utensils, and commonly used surfaces in commercial kitchens and the food industry. It excels in eliminating various types of stains, including dirt, food residues, and oily deposits, ensuring thorough cleanliness and hygiene.

Key Features & Benefits

- Removal of dirt, dust, stains, oil/fatty soil deposits
- Can be used on all types of kitchen wares
- Hard water compatible
- Rapid action; less arduous

Dilution

- **Normal Soiling:** 10 – 20 ml in 1L water (1.0 – 2.0%)
- **Heavy Soiling:** 30 – 40 ml of 1L water (3.0 – 4.0%)

All Purpose Cleaner

CX - MULTI D2.3L

CX – MULTI D2.3L is a versatile solution for dishwashing, floor, and surface cleaning, providing spotless results with its excellent rinsing ability. Suitable for many surfaces, it leaves a fresh fragrance and is easy to apply, being non-corrosive and non-staining.

Key Features & Benefits

- Single Product, Multiple Applications
- Ensures clean and shiny surface with a pleasant fragrance
- Non-residual; Does not leave behind any mark or spot post-cleaning
- Compatible with almost all types of surfaces
- Non-corrosive and non-staining formulation

Dilution

- **Floor Cleaning:** 20 – 30 ml / 1L water (i.e. 2.0 - 3.0% dilution)
- **Hard Surface Cleaning:** 15 – 20 ml / 1L water (i.e. 1.5 – 2.0% dilution)
- **Dishwashing:** 30 – 40 ml / 1L water (i.e. 3.0 – 4.0% dilution)

Descaler

CX - SCALE D5.2

CX – SCALE D5.2 is a liquid descaling formulation used for the removal of lime scales from kitchen equipment and utensils such as dishwashers, bain maries, boilers, steamers, pipe fitting fixtures, taps, etc.

Key Features & Benefits

- Free of harsh chemicals
- Highly effective in the removal of scale deposits
- Easily removes oxide films from metal surfaces
- Rinses well with water
- Broad Spectrum material compatibility

Dilution

- **For Normal Scales:** 100 ml /1L water, (i.e. 10.0% dilution)
- **For Heavy Scales:** 500 ml / 1L water, (i.e. 5.0% dilution)

Drain Cleaner & Maintainer

CX - Drain

CX - DRAIN is a potent drain cleaner designed to clear stubborn grease, debris, and blockages in drains and sewage pits. It extends the time between manual cleanings and enhances flow efficiency, ensuring effective removal of obstructions for improved drainage.

Key Features & Benefits

- Keeps the drain grease, debris & germ-free
- Enhanced performance under aerobic and anaerobic conditions
- Reduces demand for further downstream waste processing
- Removes foul odor from drainage systems

Dilution

- **Normal Blocked Drains:** 200 ml of CX DRAIN and pour it into the drain
- **Heavily Blocked Drains:** Use 500 ml of CX DRAIN and pour it in the drain
- **Drains Susceptible to Clogging:** Use 200 ml of CX DRAIN and pour it in the drain, once in 15 days

Kitchen Liquid Destainer / Presoaker

CX - DIP

CX - Dip is a concentrated presoak destainer designed for bone china and stainless-steel kitchenware, effectively removing stubborn stains without damaging materials. It's intended for use as a soak or pre-soak before regular washing.

Key Features & Benefits

- Removes resistant pigmented spots and caked-on food particles
- Helps remove dried starch and debris
- Removes stubborn tannin stains left by coffee and tea

Dilution

- **For Normal Cleaning:** 10 – 15 ml /1L water, (i.e. 1.0 – 1.5% dilution)

Machine Dish Washing Detergent

CX - NOVA D L6.11

CX – NOVA D L6.11 is a specifically formulated potential cleaning formulation for use in automatic dishwashers. On application, it effortlessly eradicates stubborn deposits such as oil, grease, and grime, ensuring

Key Features & Benefits

- Rapid yet effective removal of dirt, dust, tough stains, oil, greasy deposits from kitchenware and utensils
- Can be used on all types of kitchen wares
- Hard water compatible
- Needs no pre-wash

Dilution

- **Auto dosing:** Follow the machine manufacturer's instructions
- **Manual dosing:** 3 - 4 ml in 1L water.

Drain Cleaner & Maintainer

CX - RINSE A5

CX – RINSE A5 is an effective formulation for use in auto dishwashers which ensures quick rinsing and drying of washed items. Also, it removes left-behind residues of chemicals used in auto dishwashers. This rinse aid is a crucial component in achieving the highest standards of cleanliness and hygiene for kitchenware.

Key Features & Benefits

- Spot-free shine and brightness for kitchenware and utensils
- Quick drying formulation
- Helps to prevent scale & mineral build-up in dishwashing machine.
- Does not allow water impurities or streaks on glassware

Dilution

- **For Rinsing:** 1- 3ml / 1L Water

All Purpose Cleaner/Sanitiser Concentrate

CX - BAC D10

CX BAC D10 is a high-concentration cleaning detergent for hygienic surface cleaning, effectively removing grease, dust, and contaminants. Its surfactant-rich formula ensures easy cleaning in one step, suitable for both hard and soft water, making it ideal for food-contact surfaces.

Key Features & Benefits

- Cleans as well as ensures germs-free surfaces
- Cuts through grease and dried-on food soiling
- Effective against a wide range of micro-organisms

Dilution

- **Spray Cleaning:** 30ml / 1L of water
- **Bucket Cleaning:** 10 ml / 1L water
